

# SHIMMER

I'm still a shimmering grade  
although the colour drained out of my feet  
now that I'm translucent  
everything I touch turns red  
except your lips  
they stay blue

I'M BRIGHT WHITE  
AND EVERYTHING BLACK  
HIDES BEHIND, HIDES BEHIND MY BACK

down the streets I float  
around somebody else's feet  
and these city lights  
start to glow red and green  
when I crawl into  
I find everything black

I'M BRIGHT WHITE  
AND EVERYTHING BLACK  
HIDES BEHIND, HIDES BEHIND MY BACK

did somebody ask for me - this world couldn't care less  
now it sucked my colour up - I'm done but I'm painted on  
these white walls - I'm painted on - these white walls -  
so you can see me
