

UNRAVEL

sometimes my mind – draws me aside
leads me astray – far away from here
weakens my stand – brings me to my knees
I'll find my way – cos now it's only...

...me in control
to make up what went wrong
if I join you on the run
we will never back down

who you think I am – it forces me to doubt
now I let you in – unravel my view
'cos with you on my side – I won't ache, it's...

...me in control
to make up what went wrong
if I join you on the run
we will never back down

I'M ALRIGHT MY DEAR – I SLEEP THROUGH THE NIGHT
I'M ALRIGHT MY DEAR – I SLEEP THROUGH THE NIGHT
I'M ALRIGHT MY DEAR – I BURN THROUGH THE NIGHT
RECOMPENSE FOR YOUR LOSS
