

SPARE (GIVE THE PEOPLE WHAT THEY WANT IN LETHAL DOSES)

give the people – what they want
in lethal doses – this is what they want

what's the reason –for your dread
it's never easy – to not give in, I'll not join in

do you need this or do you try to fill a hole
I'll never understand and follow
I'll take the lead no I won't follow

WE CAME WITH NOTHING IN OUR HANDS
WE'LL LEAVE WITH EVERYTHING IN OUR HEARTS
